

# KITZ VALVE & ACTUATION (THAILAND) CO., LTD.

## Corporate Social Responsibility in 2022

On 13<sup>th</sup> March 2022, KITZ Group Companies in Thailand (collaboration of KITZ (THAILAND) LTD. & KITZ VALVE & ACTUATION (THAILAND) CO., LTD.) was successfully done donation event “KITZ for KIDS” to one of the country side of public school under Nong Pling Temple, which name is Wat Nong Pling School, at Kanchanaburi province.

The objective of this donation is that KITZ Group has been grateful for the continuous and stable business development in Thailand, and we would like to give back to our appreciation to Thailand society through some kind of social contribution.

Then, at this time, we have been known that currently public school in rural areas still lack of standard living infrastructure including hygienic Toilet. And necessary to promote good health, prevents pathogens and provide better sanitary environment to student in such community.

So, we decided to initiate this donation program “KITZ for KIDS” at this time.
