

# KITZ VALVE & ACTUATION (THAILAND) CO., LTD.

## Corporate Social Responsibility in 2024

On 18<sup>th</sup> May 2024, KITZ VALVE & ACTUATION (THAILAND) CO., LTD. (KVT) was successfully done CSR event at Royal Thai Navy Sea Turtle Conservation Center, Sattahip, Chonburi.

It's help employees to realize the environmental morale and KITZ sustainability commitment and slogan. ( \* NOTE1)  
And marine ecosystem restoration and increase biodiversity.

For KVT's 6<sup>th</sup> CSR event, we had chosen the following 3 activities.

### 1. Donation :

Baby sea turtles must be nursery by veterinarian. So, we donated financial aid to support medical equipment and donated supplies and equipment (Floor Brush, Scourer Pad) to support the Sea Turtle Conservation Center Royal Thai Navy.

## 2. Clean the turtle pond :

Nowadays, sea turtles in Thailand has human threats. For example, jewelry from tortoise shell. This activity will clean the turtle pond that needs to do twice a week. Caring for a turtle need to the cleaning of turtle ponds, turtle shell scrubbing, and removing algae.

## 3. Learning Sea Turtles :

The number of sea turtles in Thailand has declined and their extinction may come soon. This activity learned lesson about species of sea turtles, importance of male turtles and habitat loss of them. Thailand have 4 species of sea turtles, Green turtle, Hawksbill turtle, Olive Ridley Turtle and Leatherback Turtle. We'd be a part of sustainable environmental protection and marine ecosystem restoration including continuing to develop projects to support society.

We wish to create a sustainable society where all creature on earth can live their lives with peace of mind. To create the ideal society, we believe companies must achieve sustainable growth while working to solve social issues and protect the global environment through business activities.

Working toward realizing a sustainable society, the KITZ Group takes a sincere approach toward the earth and its inhabitants and will raise both its corporate and social value.

=====

**\* NOTE1 \***
